Purpose: The Foundation for Tigard Tualatin Schools formed a grass-roots subcommittee “Bridging the Gap” in 2009 to help raise awareness as well as additional funds for the 12,000+ students in the Tigard Tualatin Schools. The Foundation strives to raise funds to enhance the education of every student in the district and raises these funds through this and other events. The FundRun began in 2009 as an idea by this grass-roots group and is making long- range decisions to position ourselves as a staple in our community for many years to come.
